

Seasonality

Whether it be the middle of summer when the garden borders are in full bloom and you are having a barbeque on the patio or the middle of winter when you come in from a crisp wintery walk to our cosy wood burning stove. We want to provide you with the perfect environment for every season.

We do the obvious stuff. From spring, through summer and into early autumn we have all the garden furniture and outside games available, we have a charcoal barbeque supplied with enough charcoal or at least one summer barbeque. When it gets colder and the nights draw in, our ground source underfloor heating will keep everyone warm but you can also light up the wood burning stove with its unlimited supply of logs, we also leave bins full of salt and grit for the top terrace and the lower level outside parking areas.

We like to celebrate every season at West Acre, so we also offer the following seasonal treats.

Christmas and New Year.

From the beginning of December until the end of New Year we have West Acre trimmed to its festive best. We have the tree, the decorations, the lights, everything you could want for the perfect festive getaway. Throughout December have host groups who come to celebrate an early Christmas with a group of family and friends who often cannot get together on the day.

We have special booking periods for Christmas and New Year, normal bookings are 6 nights so why not enjoy that special time with your nearest and dearest.

Easter

Easter is a special time with spring in the air, our spring bulbs and early flowers should be just coming into bloom. We take the excuse to add some special Easter trimmings to West Acre to give it that special Easter feel.

We start our celebrations the week before Easter and end the week after, we also offer a special Easter Hunt for any young children in your group whether you are staying for Easter or in the week before or after.

Summer

Summer is the perfect time to enjoy West Acre and its gardens as well as the barbeque we have loads of outdoor games to keep everyone entertained.

Our family favourite is a game of croquet on our magnificent lawn. It may seem a genteel pastime but you will be surprised at the number of dirty tactics it encourages! Afterwards you can relax in our African hut or retire to the terrace for a cocktail, catch the afternoon and evening sun and hopefully experience one of our spectacular Yorkshire sunsets.

Halloween

Halloween is becoming an ever more popular celebration time. We take the opportunity to decorate West Acre to its scary best.

West Acre is decorated for Halloween from the week before until the week after Halloween, it's a very popular celebration in the village and many of the houses decorate themselves for Halloween.

Whenever you choose to stay away with us at Celebration Holiday Homes we will ensure that your getaway makes the very best of whatever season you choose
